Easter Poem

© Estela Canama

Let every heart be filled with joy, A joy of thankfulness to our Savior and King! He is victorious over sin and death. He conquered death to give us a new life. A life blossoms through His unending love. It is for a cause and without condition the love that brings healing and reconciliation, a pure love that creates in us real peace. Peace that springs from his sacred heart, a heart that bleeds for our affliction.

It is full of mercy and compassion, a heart wounded for our sins and vainglory. Rejoice! Jesus is truly risen from the dead for us to live once again, to live without blemish of pride, and live a life unselfishly for others in need.
